

Queen of Angels Catholic School
address/contact info

Dear (administration names),

As time moves forward and Queen of Angels and the Bishop Bosco Center must progress in many areas to provide each student with superior educational experience . . . the costs of operations, services, staff and programs increases exponentially.

Management of daily-to-annual budget(s) and funding can be enhanced significantly by using a financial board or council as designed by our Diocese of Greensburg. Parishes which have implemented this tool are enjoying freedom from the pressures of emergency funding and are able to plan effectively for future growth.

As a supporting Parish, we at St. Barbara's would sincerely like to help you take a first step in your journey toward expansion of Catholic educational administrative planning at Queen of Angels. Please consider the great advantage in having your supporting Parish(es) personally aid you in your walk toward a bright future, as our resources become yours.

We have several representatives available to assist you in implementing the tools necessary to achieve your goals. Their services are free, and their knowledge is priceless. While progress requires time and planning, we believe that the first door opened to you will be the expansion of goodwill and student registrations as the supporting Parishes bring your qualities and needs forward and home to each Church.

We also believe that the import of Catholic education brought home will then provide underwriting stability for QofA/BBC throughout each future year, becoming much more supportive than a single week of annual campaigning as our financial skills are applied. It would be our joy to get to know QofA in greater depth of friendship, and finally adopt our school into the larger family of our Parishes.

Please do consider our heartfelt offer herein, as we would dearly appreciate the opportunity to open doors for you, and welcome joining hands with all our Parishes for your continued good health and growth in Catholic education.

Signatures FC members, Fr. Ken et al.
