

NOURISHING AN ENCOUNTER WITH CHRIST

WHAT IS NCYC?

The National Catholic Youth Conference, sponsored by the National Federation for Catholic Youth Ministry, is an exciting, biennial three-day experience of prayer, community, and empowerment for Catholic high school teens, their adult chaperones, countless bishops, clergy and religious.

NCYC includes keynote speakers; and workshops that address a variety of relevant topics. Eucharistic Adoration, confession, and liturgies fill this event, as do concerts by well know Christian artists. The thematic park is an interactive exhibit with service projects, college/university and vocational booths, religious merchandise and chances to meet countless other Catholics from across the United States!

HOW CAN I HELP?

The first and most important way in which anyone can help our parish pilgrims is through prayer. Over the next several months, please hold these teen pilgrims, chaperones and our entire diocesan contingency in prayer.

Second, this amazing, transformative, faith experience comes at an economic price. The cost of the trip covers transportation, hotel, meals, and registration.

Each teen is responsible for paying \$785 for the trip to Indianapolis, Nov. 20-23. Many will receive a Francis Fund grant that will drop their total cost to \$550. Over these next few months, our ministry is striving to raise that \$550/pilgrim, and we need your help on our Road to Indy.

Your support won't go unnoticed and every dollar donated will go straight to our teen pilgrims. We are asking that you find it in your heart to help us fund this pilgrimage for our young church. This is one investment that you won't regret having stock in - trust us! Their journey is simply made possible by your support.
